

FAIRTRADE STATEMENT FROM THERESE COFFEY MP

Congratulations to Felixstowe on celebrating 10 years as a Fairtrade Town and on successfully renewing the status for a further period. With the support of the Town Council the Felixstowe Fairtrade Forum has organised an impressive range of events and opportunities to raise awareness of Fairtrade in Felixstowe.

Fairtrade is about better prices, decent working conditions and fair terms of trade for farmers and workers in developing countries. Buying Fairtrade products ensures that producers receive a fair price and there is an extra social premium which goes towards providing community facilities such as clean water, medical or educational equipment.

You can find out more and see where to buy Fairtrade products in Felixstowe by visiting the
